1. PROJECT KA TAARUF

(Project Introduction)

Project Ka Naam: Sarkari Saathi

Ek Line Mein Taaruf: Pakistan mein sarkari kaamon ko aasaan, tez, aur shaff banaane ka platform — jahan har shehri apne kaagzaat khud bhi mukammal kar sakta hai, ya hamare qabil-e-aitmaad agent se madad le sakta hai.

Vision: Pakistan ke har aam aadmi ko sarkari daftaron ke chakkar lagaane se nijaat dilaana.

Mission: Step-by-step rahnumai, document checklist, aur ek aisa agent network faraham karna jo aapki jagah kaam kare.

2. MASLA AUR HAL

(Problem & Solution)

Masla Kya Hai?

Pakistan mein sarkari kaam karwana har shehri ke liye ek bada dard sar hai. Aam aadmi ko maloom nahi hota ke:

- B-Form ke liye kaun kaun se kaagzaat chahiye hote hain
- NOC kahan se banta hai aur kitna waqt lagta hai
- Form mein ghalti ho jaye to kya karein
- Kis sarkari daftar mein kya kaam hota hai

Natija yeh hota hai ke log baar baar daftaron ke chakkar lagate hain, paise aur waqt barbaad karte hain, aur beech mein dalalon ke haath loote jaate hain.

Hal Kya Hai?

Sarkari Saathi teen tarikon se madad karta hai:

Tarika 1 — Khud Karein (DIY): Har service ke liye mukammal step-by-step guide, document checklist, aur video tutorial.

Tarika 2 — Agent Se Madad Lein: Hamare tasdeeq shuda agents aapki taraf se tamam kaam karenge — aapko daftar nahi jaana.
